

Atlas Valley's Championship golf course provides golfers with a beautiful, distinctive and challenging golf environment. Atlas Valley is perfect for all levels of players from the most experienced to beginners just starting their golf journey. The course was designed by the famous Mr. Tom Bendelow, who was the original designer of major championship courses such as Medinah C.C. in Chicago and East Lake Golf Club in Atlanta.

Our goal is to offer a private country club environment at an affordable price in a fun, relaxed atmosphere. Since acquiring the club in 2019 we are proud to report that the club has gone through a comprehensive renovation which includes but is not limited to: brand new clubhouse exterior, complete interior update, new banquet facility, updated dining rooms, new bathrooms, updated course irrigation system, successful tree removal program, cart path work and all new course bunkering.

Becoming an Atlas Valley member provides you the following amenities: unlimited access to the golf course and practice facilities, 14-day advanced tee time bookings, member charging privileges, members-only tournaments and leagues, primary member and spouse lockers, first class service, access to all dining outlets, members-only heated pool and members-only social events.

With limited membership openings, we invite you to schedule a time to come take a tour and be part of a club that is redefining the membership experience.

If you should have any questions, or need additional information, please do not hesitate to call Rick Howles (Director of Golf Operations) at (248) 830-4670.

SINCEREST REGARDS,

ATLAS VALLEY

MANAGEMENT
